PRESS Release May 4, 2009

The Recovery Support Network will be holding its second Annual Membership Meeting on Thursday, May 14, 2009 at the Machias Savings Bank Community Room in downtown Machias. The supper, social and business meeting will begin at 5:00 p.m. The Annual Membership Meeting is open to Members and the general public, providing an opportunity for us to gather to good purpose, enjoy good company and good food, and increase the opportunities for women in Washington County who are in early recovery from substance abuse. Network members will vote for the Board of Directors; those not able to attend may vote by absentee ballot.

Because food will be served and a reliable estimate of attendees would help in the meal planning, it is strongly suggested that people who plan to attend contact Märta Conlin at 207-263-6272 or by email at info@recoverysupportnetwork.org.

President June Ashmore and Program Director Märta Conlin will be guests of the WQDY – WALZ Street Beat team, broadcasting live on Monday May 11, 2009 at 8:15 a.m. Please tune in for more information about the Recovery Support Network and our Annual Membership Meeting.
